

Quick delivery programme

How it works

- > Dispatch within 5 working days of order confirmation
- > Delivery exclusively to the company headquarters or warehouse of the authorised Weishäupl retailer
- > Guaranteed availability during high season
from 1 March to 30 September
- > Orders are limited to 3 items per order/commission*
- > Changes to the configuration of the quick-delivery parasols are not possible*
- > Compatible accessories like Basic bases, ground sleeves and protective covers are also available

Quick-delivery parasols are stock items and are generally confirmed in a separate order. Please note that shipping costs may apply.

If the customer requests shipment of quick-delivery parasols together with other products manufactured to order, delivery within 5 working days cannot be guaranteed.

*For larger orders and/or different configurations, please select from our standard delivery programme. During high season, shipment of our standard-delivery products may take longer than usual.
